	<p>CONCUSSION PROTOCOL</p> <p>Any EWS Challenger racer who fails a concussion assessment by a qualified medical practitioner, during that event, will be removed from the current practice session or race and will be prohibited from further participation in any EWS or practice session or race until cleared in writing by a medical doctor to resume such activity.</p> <p>Should a concussion be confirmed by a medical doctor, the athlete is responsible for completing a 'graduated return to activity' plan</p>
	<p>INJURY/ILLNESS PERFORMANCE PROJECT</p> <p>During all EWS events, medical staff may collect preliminary rider injury and illness data, in order to monitor the magnitude of issues that occur. As part of your participation this will include your medical data should you sustain an injury (or illness) during the event.</p> <p>You will not be identifiable at any stage during any collection of this data, and any data collected on you will be anonymized and kept strictly confidential at all times. The information gathered may be used by the EWS/EMBA to help guide and direct future rider health and injury/illness prevention initiatives. You do not need to do anything as part of this data collection.</p> <p>NB: If you decide you do not want your medical data to be collected during an event you must advise the EWS organisers in writing. You are free to withdraw from this data recording at any stage, without penalty, and you do not need to explain your reasons for doing so.</p>
